

Got a Minute?

the Right Stuff® 1 Minute Gasket™ from Permatex® is the new must have addition to your gasketing aisle.

DIYs and Pros both love our newest member of the Right Stuff® gasketing family. 1 Minute Gasket's "right-size" package gives them enough product to completely replace two or three large cut gaskets. 1 Minute Gasket lets them "Torque and Go" – putting the parts back into service with no waiting or curing time.

With a compact blister pack that can be hung, binned, or displayed freestanding, 1 Minute Gasket™ is easy to add to your mix. To make sure it moves out, we're supporting the Right Stuff® with aggressive national advertising and free online training videos.
