

# Are you Serious?

No Touch® revolutionized the tire care industry in 1990 with a groundbreaking foaming one-step tire care formulation. The patented formula proved superior, giving the No Touch® brand its mark as the technology and market leader. Today, No Touch® continues to introduce new technologically advanced formulas for those most serious about their tires and wheels.

## No Touch® Seriously Wet™. Serious tire shine for serious car enthusiasts.

If you're serious about your ride...you're serious about your tires too. So why not spoil your tires with an extremely intense glossy wet finish? No other product has a longer lasting shine that protects tires better than No Touch® Seriously Wet™. Just spray and walk away.
