

A unique blend for maximum performance.

**Introducing NOS® Cleaners...
"TLC in a bottle!"**

Each proprietary NOS® formula has been engineered to clean and protect to help enhance performance and extend the life of the vehicle. These high tech additives were developed with supreme deposit removing technology and Powertane™ to ensure fuel efficiency. NOS® Cleaners prove to increase fuel mileage, reduce emissions, restore horsepower, eliminate knocks and pings, and protect against deposit buildup.

**WITH
POWERTANE**

NOS® Complete Fuel System Cleaner

- Cleans While You Drive
- Removes Power-Robbing Deposits from Entire Fuel System
- Improves Fuel Efficiency and Performance
- Restores Lost Power and Acceleration

NOS® Fuel Injector Cleaner

- Restores Lost Horsepower and Performance
- Prevents Stalling and Hesitation
- Protects Against Rust and Corrosion
- Reduces Hydrocarbon and Carbon Monoxide Emissions

THE ORIGINAL HORSEPOWER IN A BOTTLE!

Automotive Chemical Products

Check out additional NOS® products from Permatex!

NOS® Automotive Chemicals from Permatex® achieve notable performance gains through the use of unique chemical blends and race-proven technology. NOS® Automotive Chemicals employ proprietary chemistries to enhance performance, and engine life. NOS® chemistries will boost octane, clean components, and optimize engine efficiency. It is this commitment to quality, proven effectiveness, and performance history that has made NOS® a name that is synonymous with performance.

NOS® Fuel Injector Cleaner & Performance Enhancer

NOS performance and cleaning for your fuel injected engines. Restores lost horsepower, cleans fuel injectors and also provides additional performance with NOS's unique Powertane formula. Treats 1 tankful...recommended every 3000 miles.

WITH POWERTANE
