

Permatex® RUST TREATMENT

For specific problems of rust and corrosion, Permatex® offers the solution to best suit your application needs.

Provides one-step rust treatment that destroys old rust, prevents new rust. Just brush on, within minutes, rust is replaced by a durable black polymer coating that may be painted. Excellent protective primer, specially formulated to be used with body filler and fiberglass. Can be used when temperature is between 50°F and 90°F (10°C and 32°C) and on surfaces which do not exceed 200°F (93°C).

Ordering Information:

- Item # 9565219
- Bottles per case: 12
- Case Dimensions
10.25"L x 7.75"W x 5.50"D
- Case Cube: 0.25
- Gross Weight lbs: 8.86
- UPC code: 6886226 81775 4
