

Easier Application, Better Connections

Introducing Permatex® Liquid Electrical Tape

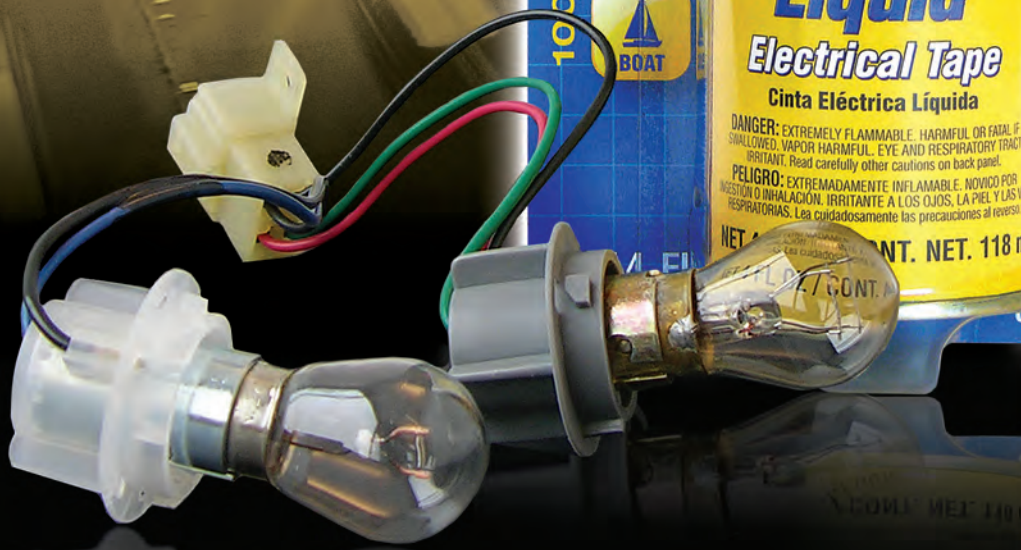

Wherever electrical connections exist, maintaining that connection's integrity is critical so there's no interruption in power. Permatex Liquid Electrical Tape is a great solution for ensuring connections stay intact.

Liquid Electrical Tape goes on as a liquid then cures to a flexible, vinyl polymer. It allows complete coverage of wires and cables, keeping air, dirt and moisture from impeding the flow of electrical current. It's also UV and chemically resistant and won't degrade when exposed to light or harsh substances. Effective under extreme conditions, this seal stays flexible from -50°F to 275°F.

Unlike roll tape, Liquid Electrical Tape is easy to apply. The brush-top applicator lets users access hard to reach places that roll tape can't. Brush on application and complete coverage capability allows user to save time and finish jobs faster, because it dries to the touch in less than 5 minutes.

Great for automotive, marine and home use, Liquid Electrical Tape is as versatile as it is useful. Virtually anywhere protecting electrical connections is important, making Permatex Liquid Electrical Tape a sound solution.

Permatex®

Permatex® Liquid Electrical Tape

KEY PRODUCT ATTRIBUTES:

- Vinyl polymer coating
- Provides weatherproof seal against dirt and moisture
- Prevents corrosion
- Doesn't unravel like tape
- UV and chemically resistant
- Absorbs vibration
- Alternative to using clamps

PERFORMANCE CHARACTERISTICS:

- Temperature range: -50°F and 275°F
- Dielectric strength: 1700 volts per mil thickness
- Dry to touch: 5 minutes
- Full strength cure: 24 hours

APPLICATIONS:

AUTO

- Trailer Hitch Lighting
- Battery Terminal Connections
- Auxiliary Light Connections
- Speaker Wires
- Stereo Systems
- Alarm Systems

HOME

- Computers
- Landscape Lighting
- Circuit Boards
- Home Theaters
- Toys/Hobby Kits

MARINE

- Bilge Pumps
- Battery Connections
- Control Panel Wiring

ORDERING INFORMATION

ITEM #	DESCRIPTION	BOX PER CASE	CASE DIMENSIONS	CASE CUBE	GROSS WT. LBS.	UPC PREFIX 686226
85120	Permatex® Liquid Electrical Tape, 4 oz. brush-top bottle, carded	6	5.75"L x 7.00"W x 8.75"H	0.20	2.40	85120 8
