Fast Orange® Grease X Laundry Detergent

Revised 04/25

REGULATORY BACKGROUND

The California Cleaning Product Right to Know Act (Act) emphasizes product transparency by requiring manufacturers of applicable consumer and commercial cleaning products, including laundry detergents, to disclose ingredient information on both the product label and company website (www.fastorangeclean.com). This disclosure includes notations, when applicable, for intentionally added ingredients that qualify for inclusion on any of the following lists: any one of 22 Designated Lists as adopted by the California authoritative body; fragrance allergens included on Annex III of the EU Cosmetics Regulation No. 1223/2009; the Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65); and certain Nonfunctional Constituents. Compliance with the Act helps consumers make informed product purchasing decisions and promotes overall consumer product safety.
